EDUCATION

Taipei American School | Taipei, Taiwan

Expected graduation May 2028

GPA 4.32/4.00 | SAT: 1510 (E710, M800)

Relevant coursework: AP Computer Science A; AP Calculus AB; John Hopkins University Probability and Game Theory; AP Seminar (Artificial Intelligence and the Transformation of Labor Markets in the United States: An Economic Perspective)

UC Berkeley Extension School: Data Structures and Algorithms

Upcoming: Honors Modern Topics Computer Science (TAS-specific course), AP Physics C (Mechanics & Electricity and Magnetism), AP Calculus BC, AP Research

RELEVANT EXTRACURRICULARS

High School Mathematical Contest in Modeling (HiMCM)2025

- Tackled HiMCM Problem A by modeling a building as a weighted graph to predict total evacuation "clearance time" for emergency responders.
- Derived a closed-form model decomposing it into travel, inspection, and verification, ran a sensitivity analysis across building layouts, and wrote up the solution in LaTeX on Overleaf.

AI Scholars Artificial Intelligence Program at Inspirit AI2024

- Lectured by MIT professors on how to use logistic regression, LSTMs, and BERT to analyze online financial data. Leveraged AI to develop and manage financial tools and apply to stock markets; presented on final topic "NLP + Finance: Algorithmic Trading"

Taipei American School (TAS) Math Club2024-present

American Mathematics Competitions (AMC) 82023, 2024

Woodside Priory School MS Robotics Club2021-2024

Robotics Engineering and AR Coding at Camp Integem2023

OTHER EXTRACURRICULARS

Soccer | Sunny Bank AC Taipei, TAS Varsity, Mountain View Los Altos Soccer Club | Taipei2014 - Present

- 2024 Taiwan Youth Football League U18 Men's Division Champions
- Compete in national and international tournaments; split time between practices
- Train with semi-professional soccer players on a weekly basis
- Captain of AC Taipei in 2024; Captain of Mountain View Los Altos team (6 years)

Communications Officer | Entrepreneurship Club | TaipeiAug 2024 - Present

- Planned and executed bimonthly fundraising events; charged with managing club funds
- Facilitate communications between team members and external organizations

Tutor | Schoolhouse | International OrganizationJul 2024 - Present

- Became a fully certified tutor on Schoolhouse through extensive tutor trainings
- Specializing in tutoring Pre-Calculus and Algebra 2 along with other high school math courses

SKILLS & INTERESTS

Skills: Rhino, JavaScript, Java, Python, Claude, Microsoft Excel

Interests: Soccer, Piano (ABRSM Grade 5), Chess ([chess.com](https://www.chess.com) elo: 1860, IASAS school team, local chess tournaments), North Korean Defector Club, Rubik's Cubes, Manchester City fan, public bike-shares (YouBiking)

Languages: English (native), Mandarin (fluent), Cantonese, Spanish
